

The Power of Philanthropy

You are making a difference.

Philanthropy's impact on just one patient's life is immeasurable; last year we had the opportunity to serve more than 250,000 patients. Here are some examples of how your gifts are touching lives and bringing comfort and hope to so many.

Breast Cancer Navigator

\$207,163 – funding a breast cancer navigator, a trained registered nurse who guided **315 women and two men** through treatment and recovery. She assisted **19 women** whose disease had recurred; **five women** who underwent a prophylactic mastectomy and assisted another **238 patients** with non-cancerous disease.

Child Life/Pediatrics

\$38,955 – helping more than **8,600 pediatric patients and their families** cope with the stress of hospitalization and medical treatment through Child Life Specialists and special events.

Programs for Cancer Patients

\$476,726 – offering a broad range of free programs, serving more than **2,600 cancer patients and their families** last year.

Sutter Samaritan

\$74,194 – Connecting over **475 uninsured low income patients** recently discharged from the hospital with needed items and services, including medications, durable medical equipment, clothing, temporary lodging and transportation.

Sutter Resource Library

\$182,793 – supporting a free resource for reliable, up-to-date medical information for **more than 3,000 patients, community members, staff and physicians.**
